COMMITTEES & WORKING GROUPS

Compliance Institute is supported by numerous volunteers who sit on our Committees & Working Groups in support of both the institute and its members. Committees & Working Groups, which are made up of experts in their area, serve to provide members with the latest insights on current and pending issues of relevance.

They also seek to identify issues which may impact on Compliance Institute members in their day to day functions and their education needs. In addition, where required by Council or the executive, the Committee's & Working Groups may provide subject matter expertise in relation to their area.

WHY PARTNER WITH COMPLIANCE INSTITUTE?
