

# CyberPower® UPS Systems & Batteries for Slot Floor & Back Office

Available to Ship Now!

## Keep Every Spin Protected with Standline and Rack Mount UPS Systems and Battery Solutions

Protect your slot floor and back-office equipment from surges, brownouts, and costly downtime with reliable UPS Battery Backup solutions from CyberPower.

These standalone UPS systems help safeguard slots while communicating battery health and system status to your back office for easier maintenance using your existing IT management software. We also offer rack mount UPS systems and PDUs for your back office, security and IT areas. Our line of CyberPower replacement UPS batteries works BOTH on CyberPower and APC UPS systems and comes with a 2 year warranty.
