Shuffling just got an upgrade.

We're excited to announce that CasinoTech is now an authorized distributor of Shark Trap card shufflers, bringing "The Future of Shuffling" to our customers.

Unlike companies that treat shufflers as just one product in a larger portfolio, Shark Trap is focused exclusively on advancing card shuffling technology. That singular focus has resulted in a complete lineup of GLI-certified shufflers designed to meet the needs of today's table games operations.

With a security-first design, true random shuffle technology, the industry's smallest commercial footprint, continuous shuffle capability, smart shoe integration, and dealer-friendly operation, Shark Trap shufflers deliver the performance, security, and efficiency today's casino floors demand.

Shark Traps product line-up features:

- Multi-Deck Shufflers
- Continuous Shufflers
- Novelty Game Shufflers
- Single & Double Deck Blackjack Shufflers
- Poker Shufflers
- The world's first Baccarat-specific shuffler with an integrated Smart Shoe

Whether you're replacing existing equipment or evaluating new options for your table games pit, Shark Trap offers a modern, secure, and innovative alternative backed by CasinoTech's trusted sales and support.
