

Dear Ascent Classical of Douglas County Parents and Guardians,

Grateful Plate is excited to partner with your school again this year, and offer students a healthy, nutritious lunch experience! This year we're moving to a Point of Sale (POS) system, which means no more pre-ordering — students can choose from a wide variety of options right in the lunchroom.

You'll manage your child's lunch account online by adding funds and setting purchase limits. All families are required to create an account to access the lunch program.

Setting Up Your Account

We use LunchTime's School Payment Portal — a safe, secure, and convenient way to manage lunch accounts. You can track purchases, set spending limits, create payment reminders, and set up automatic payments.

To get started, visit schoolpaymentportal.com:

1. **Sign Up → Create Account**
2. Enter your first name, last name, email, and password, then click **Create Account**
3. Once confirmed, click **Login Page** and sign in
4. Click **Add Student**
5. Enter school zip code **80124** and click **Continue**
6. Select the school, enter your student's information, and click **Continue**
7. Verify the information and click **Add Student** — repeat for each child

New to the school? Contact stephanie@gratefulplatedenver.com to ensure your student is in the system before registering.

Adding Funds

1. Click **Make Cafeteria Deposit**
2. Enter the deposit amount for each student and click **Continue**
3. Follow the prompts to set up your payment method
