Weighted Score (WS)

Prioritization Score (PS)

Scores Explained: The Resolution Interest Survey included two questions, each with five response options rated on a 1–5 scale (with 5 as the highest). The *Weighted Score* reflects responses to the first question, while the *Prioritization Score* reflects responses to the second question. Please note that all resolution starting with a “300” are governance resolutions, which automatically get sent to the Board of Trustees.
