To our valued members,

We wanted to let you know about an upcoming change to one of the offers available through the MBA Member Benefits Portal.

Following Ampol's acquisition of EG Australia, the business has advised that it is moving away from stacked discount arrangements and consolidating its fuel savings offers under a simplified program structure.

As a result of these changes, the EG Ampol fuel offer currently available through the MBA Member Benefits Portal will no longer be available from **1 December 2026**.

While this decision was made as part of EG Ampol's broader business strategy, this was a unilateral commercial change outside of MBA's control. We understand this offer has been a valued benefit for many members and are disappointed to see it come to an end.

MBA remains committed to delivering meaningful savings and benefits and is actively exploring new opportunities to enhance our member offering. Please keep an eye out in this space.
