To our valued members,

We wanted to let you know about an upcoming change to one of the offers available through the MBA Member Benefits Portal.

Following Ampol's acquisition of EG Australia, the business has advised that it is moving away from stacked discount arrangements and consolidating its fuel savings offers under a simplified program structure.

As a result of these changes, the EG Ampol fuel offer currently available through the MBA Member Benefits Portal will no longer be available from **1 December 2026**.

While this decision was made as part of EG Ampol's broader business strategy, this was a unilateral commercial change outside of MBA's control. We understand this offer has been a valued benefit for many members and are disappointed to see it come to an end.

While this particular offer is coming to an end, members will continue to have access to fuel-saving opportunities through alternative providers available via the MBA Member Benefits Portal. This includes savings of up to **6 cents per litre through AmpolCard**, as well as an exclusive **Shell Card offer providing 6 cents per litre** off fuel purchases at participating sites and no monthly card fees for the first 12 months.

We appreciate the support members have shown for the EG Ampol offer and remain committed to maintaining a strong range of practical, everyday savings across the program.

If you have any questions, please don't hesitate to contact our Customer Service team.
